

Design rollator with large bag

The Rollz Flex is a modern design rollator to go outdoors. It maneuvers easily, even with the bag loaded to its capacity. You will enjoy walking stable and comfortable.

The product range has been extended. Rollz now introduces the Rollz Flex with matt black frame.

This frame color is available with a denim grey or bright purple bag. You can also choose between two brake versions: classic or flip brakes.

Rollz Flex matt black

Stylish

Fully certified rollator with the look of a designer shopper.

Safe

Safe drum braking in any weather conditions. The brake cables are concealed within the frame.

Practical

The large water-resistant bag can carry up to 20 kg. Includes removable inner bag.

Smaller risk

The rear wheels are less far to the rear, which reduces the risk of tripping.

Maneuverable

Light steering and easy motion due to its small turning cycle.

Walk tall

Easy adjustable handlebar for different heights. Thanks to the forward-facing handles you can walk tall.

Convenient

Rest on the leather look seat while having the handlebar as a supportive backrest.

Easy aid

Go over doorsteps and curbs easily with the curb assistant.

Light and compact

The Rollz Flex weighs only 7.4 kg and is easily foldable into a compact package.
